PART 8

FEES

Section 801. FILING FEE

At the time of filing, all plats shall be accompanied by a check payable to the Miller Township, in the amount specified herein, to defray the cost of reviewing the proposed plats and required data.

Section 802. ADMINISTRATIVE FEE SCHEDULE

1. The fee schedule is established and may be amended periodically by resolution of the Miller Township Board of Supervisors.

2. The Miller Township Board of Supervisors shall establish a schedule of fees for subdivision and land development reviews and approvals, and mobilehome parks. The schedule of fees shall be payable to Miller Township. The fee schedule is posted in the Commission's Office.

Section 803. ENGINEERING REVIEW FEES

1. Municipal Engineering Review Fee

   As costs are incurred, the Applicant shall pay by a check, payable to Miller Township, in an amount established, and may be amended periodically by resolution of the Township Board of Supervisors. Proof of such payment is required to be provided to the PCPC. Said fee should be determined or approved by the Township Engineer and sufficient to cover the costs of:

   A. Reviewing the plat's engineering details.

   B. Inspecting the site layout for conformance with the plat.

   C. Reviewing cost estimates of required improvements (as applicable).

   D. Inspecting required improvements during installation.

   E. Final inspection on completion of installation of the required improvements.

   F. Other engineering verifications required by this Ordinance.

2. The engineering fees required to be paid by this Article shall be promptly paid to the municipality by the Applicant, as such fees are billed to the municipality or

Municipal Authority by its or their engineers. The Applicant is required to pay said bill within 30-days of receipt.

3. Township Engineering Review Fee.

   Where it has been determined the municipality does not have a municipal engineer, the applicant shall pay Miller Township the township engineering review fee made payable to Miller Township for reimbursement for the Township's expenses for the use of the Township Engineer's services.

Section 804. OTHER FEES

1. County Review/ Report. At the time of filing with the County Planning Commission, all plats shall be accompanied by a check payable to the Perry County Planning Commission, to cover the costs of County Planning Commission review and report back to Miller Township. The fee is set by the fee schedule of the Perry County Board of Commissioners.

2. Fees for all other permits required by Miller Township for opening roads, connecting to municipal sewers, building construction, etc. shall also be paid by a check payable to Miller Township or its municipal authority.

3. The Applicant at the time of application shall agree to cover the cost of advertising any ordinance accepting the deed of dedication of applicable required improvements and its recording costs.
