Visitors:

Sarah Shaffer – concerned Miller Township resident who asked to sit in on our meeting on the Data Center Ordinance

Our meeting was called to order at 7:00 pm

We all had been looking over the different Pennsylvania Township Ordinance Plans. The one we liked the most was from Allegheny County because it had lot more information and statistics on it.

Justan called Beth Burger, Township Supervisor, who was in Texas. We were at a loss as to where to go and Beth said that when she got home, she would set up a meeting with the Planning Commission so we can discuss and look up our options in order to make a decision on making a Data Center Ordinance for Miller Township. Beth will call Justan Sr., and Bonnie will call all the members to set up a meeting. We also told Sarah Shaffer that Bonnie would call her when the meeting is to be.

We adjourned our meeting at 7:40 pm.

Sincerely submitted by

Bonnie Heisey
Planning Commission Secretary
