Justan Turnbaugh Sr. called the meeting to order at 7:00 pm

The meeting tonight was concerning the Bordner Plan/Lot Addition for Stephen & Christine D. Bordner, and Daniel & Stephanie J. Bordner. The Bodners' want to swap a piece of property and will now have their own separate driveways. They do already have permits for the driveways. The set back was done 20 years ago.

The Commission approved the plans but will be at the Supervisors meeting on March 31, 2026, to sign the plans after the Supervisors look over the plans and approve them.

Meeting was adjourned at 7:20 pm.

Sincerely submitted by

Bonnie Heisey
Planning Commission Secretary
